

Dye

Lido

I would die if you would dye your hair
Baby girl I would die if you would dye your hair
Baby girl I would die if you would dye your hair
Baby girl I would die if you would dye your hair

So don't change
Don't change
Baby don't change
Don't change

I'm serious as ever don't change
Don't change
If you would ever don't change
Don't change
"What does she have that I don't?"
"What does she have that I don't?"
Even if I told you, you would never get it
"What does she have that I don't?"
You would never get it
"What does she have that I don't?"
You would never get it

I would die if you would dye your hair
Baby girl I would die if you would dye your hair
Baby girl I would die if you would dye your hair
Baby girl I would die if you would dye your hair

So don't change
Don't change
Baby don't change
Don't change

I'm serious as ever don't change
Don't change
If you would ever don't change
Don't change

Then you would never get it
You would never get it
You would never get it
Even if I told you, you would never get it
You would never get it
You would never get it again
You would never get it
If I explained it to you, you would never get it
Again girl
