Lido

Keeping it real  
Keeping it real  
Keeping it real  
Keeping it real

Can we go back to the days when we listened to Mariah  
I've been saying let's meet face to face  
But you turn up at Mariah  
I just wanna hear that sound  
Baby do it like Mariah  
I used to say Ashley  
But now I'm on Mariah

Can we go back to the days when we listened to Mariah  
I've been saying let's meet face to face  
But you turn up at Mariah  
I just wanna hear that sound  
Baby do it like Mariah  
I used to say Ashley  
But now I'm on Mariah

Can we go back to the days when we listened to Mariah  
Can we go back to the days when we listened to Mariah  
Can we go back to the days when we listened to Mariah

Tonight, Mariah, Mariah  
You meant everything to me  
You meant everything  
You meant everything to me, yea  
And I'll do whatever that is [?]  
Don't be nervous  
I got insurance  
You won't be hurting with me  
With me  
With me  
Cause I got everything that you need  
You mean the world to me  
To me  
To me

And the devil be calling  
Cause you know that I wanna

And I'll do all that I can for you  
I wanna catch you in the moment  
I wanna hear you scream and moaning babe  
I won't be bullshitting I'm honest  
You should believe me cause I promise  
Oh don't be nervous
