Oh, why am I living so fast?
Slow wine got me speeding off track
I don't know why I was feeling like that
Something came over me and never came back
Oh, why am I living so fast?
Slow wine got me speeding off track
I don't know why I was feeling like that
Something came over me and never came back
Something came over me and never came back

Go, go, go time
Tell me that we gon' be alright
Tell me that you gon' be all mine
Tell me that you want me all night
Go, go, go, go time (Go time)
Tell me that we gon' be alright (Right)
Subtle with your cues (Cues, cues)
Love it 'cause it's you, you, you

Oh, why am I living so fast?
Slow wine got me speeding off track
I don't know why I was feeling like that
Something came over me and never came
Oh, why am I living so fast?
Slow wine got me speeding off track
I don't know why I was feeling like that
Something came over me and never came back

Say, say, say, say, say
Do it like the Prius was an XL
Spread it like the sheets was in Excel
Tell me do you text well?
I be on the road, yeah, I be on the road
Found somebody perfect, had to let her go
As soon as she find out that I'm never home
She will tie my shoes together with my tongue
You are a movie (Put it on, put it on)
Throw your projections on my wall
Pick up the last call, stick up for someone, get off the asphalt
Underthink all of the words that I say
To you (You, you, you)
Leave it on me

Oh, why am I living so fast?
Slow wine got me speeding off track
I don't know why I was feeling like that
Something came over, something came over me and
Oh, why am I living so fast?
Slow wine got me speeding off track
I don't know why, I don't, I don't know why
Something came over me and never came back

Why you always playing me?
Life feels like a stampede
I'm not what I can be (I know you came by to see if you're still on the frid
ge)
I don't understand me (I know you don't understand why I did what I did, no)

Why so condescending? (I know that you didn't give me back all of my clothes
)

Why you feel so empty? (All of a sudden you following all of my hoes)

Why'd you do that? (Why'd you do that to yourself?)

You still agree with all the guys

You still listen with your eyes, don't you?

Even after all the lines

You still make me read between your thighs, oh no

Oh, why am I living so fast?

Slow wine got me speeding off track

I don't know why I was feeling like that

Something came over me and never came back
