

# Alien

Lifehouse

I've been lost in a sea of faces  
I've been living in a hotel  
I've been trying so hard to erase this  
Pain's got me crawling back in my shell

So tired of always feeling like a stranger in my skin

I don't wanna be alone  
Always feeling like an alien  
I don't wanna be alone  
Always feeling like an alien  
And I don't wanna be alone

I've been walking in my sleep for ages  
I've been hiding from the shadows  
I've been feeling so afraid and anxious  
This time won't let me go

I think it's time I let you in  
Can we start over again?

I don't wanna be alone  
Always feeling like an alien  
I don't wanna be alone  
I've been everywhere and back again  
I don't wanna be alone  
Always feeling like an alien

Close my eyes and I am home  
I close my eyes and I am home  
I close my eyes and I am home  
I close my eyes

I don't wanna be alone  
Always feeling like an alien  
I don't wanna be alone  
I've been everywhere and back again  
I don't wanna be alone  
Always feeling like an alien  
I don't wanna be alone
