

# Always Somewhere Close

Lifehouse

You take the weight  
You take it all  
You can take everything  
I'm feeling so tired  
And for so long  
I need you now  
I need you next to me

It doesn't matter where you go  
You're still a part of me  
I don't know much  
But I know you are always somewhere  
I'm telling you from the heart  
You know I love you most  
If I break or fall apart  
You're always somewhere close

And I can't wake up from falling down  
Yeah, I can be hard on me  
But in the end I'm back again  
Never too far from knowing  
Where we are, yeah

It doesn't matter where you go  
You're still a part of me  
I don't know much  
But I know you are always somewhere  
I'm telling you from the heart  
You know I love you most  
If I break or fall apart  
You're always somewhere close

Whenever I feel lost and all alone  
You're always somewhere close  
I'm telling you from the heart  
You know I love you most  
If I break or fall apart  
You're always somewhere close  
You're always somewhere close  
You're always somewhere close  
You're always somewhere close
