

Disarray

Lifehouse

I face my demons
Wrestling these angels to the ground
And all that I could find
Was a thin line between all the saints
And villains it was crossed
In my own mind

Some day I'm gonna find it
Wish I knew what I was looking for
Inside the disarray (inside the disarray)
I woke up this morning
Don't know where I'm going
But it's alright
I wouldn't have it any other way

Struggling between the facts and fiction
I'm alone but I'm alive
Everyone around me is trying to make a statement
Then there's me
I'm just trying to survive

Some day I'm gonna find it
Wish I knew what I was looking for
Inside the disarray (inside the disarray)
I woke up this morning
Don't know where I'm going
But it's alright
I wouldn't have it any other way

If this was any other day
I'd pretend to know where I stand
I just don't know
I just don't know
I just don't know

Some day I'm gonna find it
Wish I knew what I was looking for
Inside the disarray (inside the disarray)
I woke up this morning
Don't know where I'm going
But it's alright
I wouldn't have it any other way

Someday I will find it
Wish I knew what I was looking for
Inside the disarray (inside the disarray)
I woke up this morning
Don't know where I'm going
But it's alright
I wouldn't have it any other way
