First Time

Lifehouse

We're both looking for something We've been afraid to find It's easier to be broken It's easier to hide

Looking at you, holding my breath, For once in my life, I'm scared to death, I'm taking a chance, letting you inside.

Feeling alive all over again, As deep as the sky, under my skin Like being in love, she says For the first time Maybe I'm wrong, But I'm feeling right where I belong With you tonight Like being in love To feel for the first time

The world that I see inside you Waiting to come to life Waking me up to dreaming Reality in your eyes

Looking at you, Holding my breath, For once in my life I'm scared to death, I'm taking a chance, Letting you inside.

I'm feeling alive all over again As deep as the sky that's under my skin Like being in love, she says, for the first time Maybe I'm wrong, I'm feeling right Where I belong with you tonight Like being in love to feel for the first time

We're crashing Into the unknown We're lost in this But it feels like home

I'm feeling alive all over again As deep as the sky that's under my skin Like being in love, she says, for the first time Maybe I'm wrong, I'm feeling right Where I belong with you tonight Like being in love to feel for the first time
