

Pins & Needles

Lifehouse

Were we always headed for disaster
Was I only trying to slow it down
Instead we're going nowhere faster
Did I run you right out of town

Tonight, turn the leaf over
I'll try my best to keep it simple
All I know, is for all of us
We couldn't be sinking any lower

And I always should've seen it coming
How could I have been so blind
I'm sitting here on pins & needles
Waiting for you to change your mind

I would never ever try to hurt you
I guess I just lost track of time
And after all that we have been through
You're worth me losing my mind

Tonight, turn the leaf over
I'll try my best to keep it simple
All I know, is for all of us
We couldn't be sinking any lower

And I always should've seen it coming
How could I have been so blind
I'm sitting here on pins & needles
Waiting for you to change your mind
For you to change your mind, for you to change your mind
The fault was only mine

Tonight, turn the leaf over
I'll try my best to keep it simple
All I know, is for all of us
We couldn't be sinking any lower

And I always should've seen it coming
How could I have been so blind
I'm sitting here on pins & needles
Waiting for you to change your mind
