

# Signs Of Life

Lifehouse

Break through, hoping your demons can't catch you  
So many people with a good view  
If you should ever be the one to hit the ground

The stop sign's on the wrong highway  
And it's so dark, looking for answers  
But your headlight's already gone out  
You're looking for a spark

Can April showers spring signs of life in me?

A heart that's been buried in the ground,  
Can break if it's never found  
I spent so much time digging that grave  
And even if it's pain that I feel  
At least I know that it's real  
I'd rather be broken than afraid

Can April showers spring signs of life in me?

It's a long ride, don't think it's over  
It's a fine line between disaster and a good time  
Pick up the pieces and find out who you are

It's a cruel sound, you know you're heading  
For a meltdown, feeling the pressure like a landslide  
You have to figure out why you fell apart

Can April showers spring signs of life in me?

A heart that's been buried in the ground,  
Can break if it's never found  
I spent so much time digging that grave  
And even if it's pain that I feel  
At least I know that it's real  
I'd rather be broken than afraid

Can April showers spring signs of life in me?

Just slow down, take it in stride, yeah  
There's no deadlines as long as you're alive, yeah  
Alive, yeah, alive, yeah

Just slow down, take it in stride, yeah  
There's no deadlines as long as you're alive, yeah  
Alive, yeah

Just slow down, take it in stride, yeah  
There's no deadlines as long as you're alive, yeah  
Alive, yeah
