

## Static

Lifehouse

I feel the clouds coming on  
Shadows fall while feathers rain outside these walls  
The strangest dusk that's like a buzz hit my eyes  
Another day of stolen time, the sun is gone

I'm blanking out, oh  
I'm blanking out, oh

I feel the life in this space  
I breathe an easy breath, I see your face  
Where broken pieces find a home, the pain subsides  
And for a moment, I'm suspended in this place

I'm blanking out, oh  
I'm blanking out, oh  
The static inside of my head is breaking out  
Oh, oh

In my mind's eye  
It's somewhere in my mind's eye  
In my mind's eye  
Oh, my mind's eye

I'm blanking out, oh  
I'm blanking out, oh  
The static inside of my head is breaking out  
Oh, oh

I'm blanking out  
I'm blanking out  
I'm blanking out  
I'm blanking out  
I'm blanking out  
I'm blanking out  
...
