

# Trying

Lifehouse

Could you let down your hair  
Be transparent for awhile, just a little while  
To see if you're human after all

Honesty is a hard attribute to find  
When we all want to seem like  
We've got it all figured out

Well let me be the first to say that I don't have a clue  
I don't have all the answers  
Ain't gonna pretend like I do

Just trying  
To find my way  
Trying  
To find my way the best I know how

Well I haven't memorized all of the cute things to say  
But I'm working on it  
Maybe I'll master this art form someday  
If I quote all the lines off the top of my head  
Would you believe  
That I fully understand all these things I've read

I'm just trying  
To find my way  
Trying  
To find my way  
Trying  
To find my way the best that I know how

Well I haven't got it all figured out quite yet but  
Even if it takes my whole life to get to where I need to be  
And if I should fall to the bottom of the end  
I'll be one step back to you, and

I'm trying to find my way  
Trying to find my way

I'm trying to find my way  
Trying to find my way...
