Doug Burns To Death

Liferuiner

And I awake to be the spokesperson for global moralization
But my head won't stop spinnin'
And I misplaced my common sense
But this just feels like the start
Fa fa fadin' away, deeper into these dreams
And I can't remember where the start ends, and where the end be
gins
Fa fa fadin' away, deeper into this coma
Somebody tell me, I'm not dying for these sins
(Oh!)
Fa fa fadin' away
And my destiny is something that I've been trying to outrun for
 a long time now
Has it caught up to me yet?
Probably not, but the chase is always better than the catch
So let's play tag with our hearts tonight
Oh yeah, it's on tonight!
Wake up!
Wake up!
