End Of The Sky

Lighthouse Family

Would you like to go somewhere unbelievable? Where the great big blue sky seems to last forever Cos I feel like I'll leave it all behind Living' in the sunshine, that's where I'm going And I don't think there's anything here that I'll be missing, d o you? No, I don't think there's anything else to do So bring on the sunshine We're gonna fly to the end of the sky I've got to go cos I ain't indestructible And I feel like I'm breaking Running round for nothing But I'll be all right I'm not a million miles from seeing the daylight That's where I'm going And 1 don't think there's anything here that I'll be missing, d o you? No, I don't think there's anything else to do So bring on the sunshine We're gonna fly to the end of the sky Bring on the sunshine We're gonna fly to the end of the sky So bring on the sunshine We're gonna fly to the end of the sky Bring on the sunshine We're gonna fly to the end of the sky

So bring on the sunshine We're gonna fly to the end of the sky
