Got a picture of a glorious day

A

A sunny afternoon somewhere with a view

And I don 't care what it's all about

As long as I'm with you

And I I wanna run away with you

I, I wanna run away with you

Wanna get a car and just drive away

Looking at the view and listening to tunes

And I don't care what we talk about

As long as I'm with you

And I I wanna run away with you

I, I wanna run away with you
