

# You're A Star

Lighthouse Family

Well I try not to think about you  
And I know I can get on without you  
But it all seems to be so hollow  
Maybe you'll come back tomorrow

And when they make you feel like you're no one  
And when they make you feel like you just don't matter  
You gotta get back on a good one  
You don't need this at all

Don't let it get you down .  
Don't let it break your spirit  
Keep your head in the clouds  
Like a star

Am I out of my head or something?  
Am I beating' myself up all over nothing?  
Does it all have to be so much trouble?  
Is it all just because of you?

And when they make you feel like you're no one  
And when they make you feel like you just don't matter  
You gotta get back on a good one  
You don't need this at all

Don't let it get you down  
Don't let it break your spirit  
Keep your head in the clouds  
Like a star

Don't let it get you down  
Don't let it break your spirit  
Keep on telling yourself  
You're a star

Don't let it get you down  
Don't let it break your spirit  
Keep your head in the clouds  
Like a star

Don't let it get you down  
Don't let it break your spirit  
Keep on telling yourself  
You're a star

Keep on telling yourself  
You're a star  
Keep on telling yourself  
You're a star  
Keep on telling yourself  
You're a star
