

Life I Used to Live

Lightnin' Hopkins

You know the life I used to live, Lord, I ain't going to
live it no more
You know the life I used to live, I ain't going to live
it no more
Well, I used to live so reckless, was losing friends
everywhere I go
I'm going to change my way of living, I'm going to join
the church again
I'm going to change my way of living, I'm going to join
the church again
Then I can go 'round and talk religious to my friends, I
can shake hands among all my friends
I'm going to say goodbye, goodbye, I ain't goin' to live
that life no more
Bye bye, bye bye, ain't going to live that life no more
