

## Pneumonia Blues

Lightnin' Hopkins

Whoa, you know I'm achin' all over  
You know I believe I got a pneumonia this time  
Whoa, you know I'm achin' all over, now baby  
You know I believe I got a pneumonia this time  
Yeah, you know my head hurt me so bad  
Till I'm almost to go blind

Whoa, you know I went home last night  
Hurtin' so bad I couldn't hardly see  
Oh Lord, have mercy  
Oh Lightnin' couldn't hardly see  
Yeah, you know I since got aspirin, it was no good  
What man but a beast in Hell, poor me
