

## You Never Miss Your Water

Lightnin' Hopkins

Never miss your water till your well run dry  
Never miss your water till your well run dry  
You know you never miss your little woman until she says goodbye  
e  
Whoa you know, I'm my papa's baby, I'm my mama's baby child  
You know I'm my papa's baby, oh mama's baby child  
Whoa you know you never miss your water, Lord until your well g  
o dry  
You know I've been wonderin', what makes a well run dry?  
Whoa you know, I've been wonderin', wonderin', oh boy what make  
s a well run dry?  
You know that's when the earth done settle down on the water,  
ain't no more water passing by
