Funny Farm

Lightning Bolt

All of the pigs and figs
All of the cows and fowls
Go tell the horses too!

Gather the fish and frogs
Check all the roosts and bogs
Round up the whole damn crew

Over the fields we go
Oh all these fields we grew
Let's have a jamboree

Gather the fish and frogs
Check all the roosts and bogs
Round up the whole damn crew

Rain has all gone away
Cracks in the earth to stay
What will you eat today?

Go tell the farmers boy
To clean up all his toys
They'll be no place to play

Go tell the farmers boy
Rain has all gone away
Cracks in the earth to stay

All of the pigs and figs
All of the cows and fowls
Go tell the horses too!
