

Transmissionary

Lightning Bolt

Hey, hey, I'm on my way
Collect all the kitties cause we're on our way
Oh, my feet would love to stay
But we've got to head into the brand new day

Hey, hey, I'm on my way
Collect all the kitties cause we're on our way
Oh, my feet would love to stay
But we've got to head into the brand new day

Hey, hey, I'm on my way
Collect all the kitties cause we're on our way
Oh, my feet would love to stay
But we've got to head into the brand new day

Hey, hey, I'm on my way
Collect all the kitties cause we're on our way
Oh, my feet would love to stay
But we've got to head into the brand new day

Hey, hey, I'm on my way
Collect all the kitties cause we're on our way
Oh, my feet would love to stay
But we've got to head into the brand new day

Hey, hey, I'm on my way
Collect all the kitties cause we're on our way
Oh, my feet would love to stay
But we've got to head into the brand new day

These earthly delights
