

## Day Two

### Lights

Someday, I will come home  
And when I come, I'm going  
Down to the river  
Drown in the water

Someday, I will come home  
And when I come, I'm going  
Down to the river  
Drown in the water

I have been on an everlasting fire, ooh  
Burning away  
Burning away  
Burning away

I've been on fire  
Burning away  
Burning away  
Burning away

I've been on fire  
Burning away  
Burning away  
Burning away
