

Jaded

Lights

(Dogs over on this side)
Yeah

Leaving me
Dippin' out on me
Already got what you needed, I guess
Quickly learned yourself through me
Already gave you what you needed, I guess
I guess
That's why I'm not with nobody
I don't wanna hurt nobody
Did it over text, didn't call me
Still got love for your mommy
I know you wanna be somebody
Even if you gotta leave somebody, yeah

Yes, I'm hurting, yes, I'm jaded (jaded)
Most of these things I don't wanna say (jaded)
I wanna be around while you chasin' (while you chasin' it)
You wanna hit me up when you make it
You'll try and come back when you famous
I always want the truth, but it's dangerous (dangerous, oh)
You got somethin' real, not basic
You wanna get with me, stop
Yes, I'm hurting, yes, I'm jaded (jaded)
Most of these things, I don't wanna say (say)
I wanna be around while you chasin'
(Wanna be around)
You wanna hit me up when you make it (oh, yeah)
You'll try and come back when you famous
(Back around)
I always want the truth, but it's dangerous
You got somethin' real, not basic
You wanna get with me, stop (playin')
Yeah, dogs on this side, dogs over on this side

Told me about all your insecurities, for what?
Dragged me like two hours to your family's house, for what?
Said you need some time, but I should stick around, for what?
Always felt like stickin' 'round's the same as being stuck
And like guns with the ink in, you're gettin' under my skin
Pretty little young thing
Had a honey convinced, got me too excited
You played me, you played me, you played me
Lowdown, dirty, shameful, crazy
I need to know how the new honey you got does the same thing
I do for a living, but is way less wavy
How you even managin' to keep straight faces
In all the pictures that I seen lately?
Lord knows you still look amazin'
That's besides the point I'm makin'
You're way too opinionated
To have to force it or have to fake it

Yes, I'm hurting, yes, I'm jaded (jaded)
Most of these things I don't wanna say (jaded)
I wanna be around while you chasin' (while you chasin' it)

You wanna hit me up when you make it
You'll try and come back when you famous
I always want the truth, but it's dangerous (dangerous, oh)
You got somethin' real, not basic
You wanna get with me, stop
Yes, I'm hurting, yes, I'm jaded (jaded)
Most of these things, I don't wanna say (say)
I wanna be around while you chasin'
(Wanna be around)
You wanna hit me up when you make it (oh, yeah)
You'll try and come back when you famous
(Back around)
I always want the truth, but it's dangerous
You got somethin' real, not basic
You wanna get with me, stop
