

## Kicks

## Lights

I don't really know what I'm heading for  
I got a lot of problems, I ain't lookin for more  
I just wanna cruise  
I just wanna cruise the wild with you  
And I know we know it goes against the grain  
I don't want the money, I'm not playing the game  
I just wanna lose  
I just wanna lose my self with you

It's how we get our kicks  
Machete and the sticks  
Lost in the thick of it with you  
Inking for a fix  
Now we're just swinging it  
It doesn't really matter what we do  
'Cause nights I wander, looking for the exits  
Sometimes a diamond is rough around the edges  
It's how we get our kicks  
Machete and the sticks  
Lost in the thick of it with you  
It's how we get our kicks  
It's how we get our kicks  
It's how we get our kicks  
It's how we get our kicks

'Cause I'm out of my head  
I've been losing my grip  
Been riding round town to and from the hip  
Just making my way  
Just throwing that caution to the breeze  
Tell me 'bout the last you got free  
Laughed 'til your sides split, cut your knees  
Do you wanna take?  
Do you wanna take a trip with me?

It's how we get our kicks  
Machete and the sticks  
Lost in the thick of it with you  
Inking for a fix  
Now we're just swinging it  
It doesn't really matter what we do  
'Cause nights I wander, looking for the exits  
Sometimes a diamond is rough around the edges  
It's how we get our kicks  
Machete and the sticks  
Lost in the thick of it with you  
It's how we get our kicks  
It's how we get our kicks  
It's how we get our kicks  
It's how we get our kicks

What I'm after doesn't really matter  
When I'm lost with you  
What I'm after doesn't really matter  
When I'm lost with you

It's how we get our kicks

Machete and the sticks  
Lost in the thick of it with you  
Inking for a fix  
Now we're just swinging it  
It doesn't really matter what we do  
It's how we get our kicks  
It's how we get our kicks  
It's how we get our kicks  
It's how we get our kicks  
It's how we get our kicks

What I'm after doesn't really matter when I'm lost with you  
It's how we get our kicks  
What I'm after doesn't really matter when I'm lost with you  
Its how we get our kicks  
Its how we get our kicks  
Its how we get our kicks  
Its how we get our kicks
