

Nice For What

Lights

(Care)

You said you'd care for me
There (there) for me, there for me, said you'd be there for me
Cry (cry) for me, cry for me, you said you'd die for me
Give (give) to me, give to me

Everybody get your motherfuckin' roll on
I know shorty and she doesn't want a slow song
Had a man last year, life goes on
Haven't let that thing loose, girl, in so long
You've been inside, know you like to lay low
I've been peepin' what you bringin' to the table
Workin' hard, girl, everything paid for
First-last, phone bill, car note, cable
With your phone out, gotta hit them angles
With your phone out, snappin' like you Fabo
And you showin' off, but it's alright
And you showin' off, but it's alright
It's a short life

You said you'd care for me
There (there) for me, there for me, said you'd be there for me
Cry (cry) for me, cry for me, you said you'd die for me
Give (give) to me, give to me
Why won't you live for me?

That's a real one in your reflection
Without a follow, without a mention
You really pipin' up
You gotta be nice for what?

I understand, you got a hunnid bands
You got a baby Benz, you got some bad friends
High school pics, you was even bad then
You ain't stressin' off no lover in the past tense
You already had them
Work at 8 A.M., finish 'round five
Hoes talk down, you don't see them outside
Yeah, they don't really be the same offline
You know dark days, you know hard times
Doin' overtime for the last month
Saturday, call the girls, get 'em gassed up
Gotta hit the club, gotta make that ass jump
Gotta hit the club like you hit them motherfuckin' angles
With your phone out, snappin' like you Fabo
And you showin' off, but it's alright
And you showin' off, but it's alright
It's a short life
