

## Rent

## Lights

I know it ain't nice  
But I feel it again  
I hear that song  
On the speakers again

But it's all up there  
My imagination is as tall as yours

I keep a checklist of offenses, ooh  
I stay awake to put up fences  
If you wanna live in my head, you gotta pay the expenses  
And honey, you can't afford what the rent is  
You can't afford what the rent is  
Honey, you can't afford what the rent is  
You can't afford what the rent is

I fantasize when I close my eyes  
Explosions in the sky  
Lovey in my mind  
But I think I know it's all a waste of time

I keep a checklist of offenses, ooh  
I stay awake to put up fences  
If you wanna live in my head, you gotta pay the expenses

And honey, you can't afford what the rent is  
You can't afford what the rent is  
Honey, you can't afford what the rent is  
You can't afford what the rent is

Sometimes I'm a floating head, no body  
Just drifting over my bed, no body  
Sometimes I'm a floating head, no body  
Just drifting over my bed, no body

But it's all there  
And my imagination is as tall as yours

I keep a checklist of offenses, ooh  
I stay awake to put up fences  
If you wanna live in my head, you gotta pay the expenses  
And honey, you can't afford what the rent is  
You can't afford what the rent is  
Honey, you can't afford what the rent is  
You can't afford what the rent is
