

How You Do That

LightSkinKeisha

How you follow me, but you don't ever like a pic?
How you single but you always somewhere sucking dick?
How you always pullin up but you ain't got a whip?
How you never got no money, but you taking trips?
How you do that? How you do that? How you do that?
How you do that? How you do that? How you do that?
How you do that? How you do that?

I ain't with the flexing shit, nah I ain't do that
Bitch, I really run my city like I'm new jack
I'm the baddest in the game, but you knew that
Don't need no silicone because my ass is too phat
Don't need no filters on my pics 'cause bitch I'm really fine
You be wearing all your friend's shit, you really lying
I only rock real diamonds, my shit really shine
Any whip you see me in, bitch it's really mine
How you rocking all them diamonds, you ain't got no money?
They get to pulling out them diamond testers, and you get to running
When the waiter bring the check you always lookin funny
Why everytime you step out you always be looking bummy?

How you follow me, but you don't ever like a pic?
How you single but you always somewhere sucking dick?
How you always pullin up but you ain't got a whip?
How you never got no money, but you taking trips?
How you do that? How you do that? How you do that?
How you do that? How you do that? How you do that?
How you do that? How you do that?

Why you a'ways talking shit like you got yours together?
How you talking shit about people who living better?
Why you got a chain with them cheap ass bubble letters?
How you claim that you a boss but you always begging?
Why you always spilling tea but you ain't got no bread?
Why you always claiming niggas that leave you on read?
I heard you sleeping on the floor 'cause you ain't got no bed?
Why you always got an ugly weed on your head?
I pop the most shit because I really live it
You popping on the gram, but you broke, I ain't wit it
I'm really bossed up, I don't do pretending
And I don't give a fuck, if you get offended

How you follow me, but you don't ever like a pic?
How you single but you always somewhere sucking dick?
How you always pullin up but you ain't got a whip?
How you never got no money, but you taking trips?
How you do that? How you do that? How you do that?
How you do that? How you do that? How you do that?
How you do that? How you do that?
