How you fuck dat nigga and you ain't even get a dolla
Talking shit about me
Might go disrespect ya mama
Like my nigga so rich
His bankroll don't fit in a wallet
Yes I like materials
They should just call me Madonna

I like hood shit
Expensive clothes
And a buss down
Get my nails done
Hair did
Middle part buss down

How you fuck dat nigga and you ain't even get a dolla
Yes I like materials
They should just call me Madonna

Bitch I look good
Dats why these nigga on my body
Blocked her from my page
But she stalk me for a hobby
Bitches think they competition
Know she need to stop it
Bitches run off with the sauce
And swear they never copy

And I like rick up on my ass
Don't ever get shit twisted

Like da AC on negative 30

For all dem hoes who did me dirty
Life treating me good
That's why I never ever worry
My foot been on necks for so long
Man I know that shit be hurting

How you fuck dat nigga and you ain't even get a dolla
Talking shit about me
