

Pulled up in the range, this ain't no motherfucking beamer  
Every time I step out I get clean like Stanley Steamer  
Bitch was talking shit, but ain't say nothing when I seen her  
Tell them hoes to bow down, I'm their motherfucking leader  
Bitch, I can get reckless, I'm the queen so just respect it  
Boujee bitch, I wear a bust down Cuban as my necklace  
What the fuck I do to make these bitches get so jealous?  
Killing all these bitches, I don't do no fucking sparing

New bitch on the block, and I came to take over  
Shitting on these bitches in my Fashionnova  
I just told your baby daddy to come over  
Finessed him out his pockets, then I called his Uber  
I don't fuck with these bitches, I'll fuck up all these bitches  
I get money, I get bread, they know that they can't fuck with me  
Big ole' ass, big ole' bitties, and I'm only in my twenties  
Bitch, I'm cocky and I'm pretty, I'm the baddest in my city, bitch
