

# I Could Have Done This Myself

Lightspeed Champion

Pull the curtains to a close  
And the movie has just stopped  
Music in the background  
Smell of sweat crowding the room  
The walls keep moving pushing us together  
I hope my lies will come true  
At least in the next hour  
So close to being sick right now

We do, we do, we did it, I'm done  
The after is too much, I won't let you stay  
We do, we do, we did it, I'm done  
The after is too much, I won't let you stay

So now you'll see  
I was taught  
Yeah, I learned this weapon  
We all used the art
