

# Final Countdown

Like A Storm

Woah...

It's the final...

We're leaving together  
But still it's farewell  
And maybe we'll come back  
To Earth, who can tell?  
I guess there is no one to blame  
We're leaving ground (leaving ground)  
Will things ever be the same again?

It's the final countdown...

(Countdown!)

Woah... final countdown

(Countdown

We're leaving together!)

Woah... final...

We're heading for Venus  
And still we stand tall  
'Cause maybe they've seen us  
And welcome us all  
With so many light years to go  
And things to be found (to be found)  
I'm sure that we'll all miss her so

It's the final countdown...

(Countdown!)

I'm sure that we'll all miss her so

The final countdown...

(Countdown

We're leaving together!)

Woah... final...
