The Phoenix

Like A Storm

All of your good luck's gone away
And left you standing on the freeway
And you can't find the words to say
No one's there to listen anyway

And the world just keeps on turnin'
Like it's turnin' on you now
And the world just keeps on burnin'
And it's burnin' you out

No, never say never
Nothing lasts forever
From the ashes of your heart
The Phoenix rises in the dark

Your footsteps can't carry the weight
When the world is on your back again
And you find yourself crawling in vain
And here you go into the rain

And the world just keeps on turnin'
Like it's turnin' on you now
And the world just keeps on burnin'
And it burns you to the ground

No, never say never
Nothing lasts forever
From the ashes of your heart
The Phoenix rises in the dark

Do you ever wonder where you've gone?
Do you ever wonder where you'll find the strength to carry on?

No, never say never
Nothing lasts forever
From the ashes of your heart
The Phoenix rises in the dark
