

4 Life

lil aaron

All my friends, all my friends
We're way too fucked up to pretend
We give a shit about our problems
What your parents think about us?
'Cause in the end, in the end still got a 40 in my hand
I ain't need no 9 to 5 I'd rather be fucked up for life
Fucked up for life

No trust past sun we don't care, we do what we do yeah
We hopping fences, skinny dipping in your pool
'Cause the days don't start 'til the J's lit
And I don't see straight 'till I'm faded no
The mini-mansion's always lit just come through

All my friends, all my friends
We're way too fucked up to pretend
We give a shit about our problems
What your parents think about us?
'Cause in the end, in the end still got a 40 in my hand
I ain't need no 9 to 5 I'd rather be fucked up for life
Fucked up for life

Rocking mismatched slides, I do whatever I like
Don't matter the place or time no
Got lil' mamma on the line
Couple of shorties on the side; they coming over tonight yeah

I know it's fucked up
But honestly I just want to be fucked up yeah
We party till the sun up
And we ain't stopping for nobody

All my friends, all my friends
We're way too fucked up to pretend
We give a shit about our problems
What your parents think about us?
'Cause in the end, in the end still got a 40 in my hand
I ain't need no 9 to 5 I'd rather be fucked up for life
Fucked up for life

Fucked up for life
Fucked up for life
Fucked up for life
Fucked up for life
