

## 808 Rock

lil aaron

To all my shawtys sippin fortys on the east side  
And all my ladies wearin dresses on the west side  
All my fellas gettin lit under stadium lights  
We gon rock with these 808s all night

To all my blue collar boys in the midwest  
And all my strippers gettin to it on sunset  
All my stoners lightin up gettin faded for life  
We gon rock with these 808s all night

Hey whats up ya it's nice to meet ya  
Got blood stains on my new white t shirt  
Better bring a bag you tryna cop a feature
