

# ALONE ON XMAS EVE

**lil aaron**

All alone on Christmas Eve  
Feels like every other week  
Smokin', no one goes to sleep  
All alone on Christmas Eve  
Thought you said that you'd be here  
Shit's the same as every year  
Promises you never keep  
All alone on Christmas Eve  
Christmas Eve

Guess I'd be lyin' if I said I ain't expect this  
'Cause you were lyin' when you said that we were special  
I'm out here dyin' girl you know I'm gettin' desperate  
I'm gettin' desperate, yeah  
Don't try to tell me that you know a thing about this  
'Cause you the worst thing, there ain't no way around it  
You said you'd make it up to me but girl I doubt it  
I fuckin' doubt it, yeah

Next time I won't let my hopes get high  
I'll just stay home all alone and get high

All alone on Christmas Eve  
Feels like every other week  
Smokin', no one goes to sleep  
All alone on Christmas Eve  
Thought you said that you'd be here  
Shit's the same as every year  
Promises you never keep  
All alone on Christmas Eve  
Christmas Eve

I probably deserve this  
I'm such a shitty person  
I thought that we were worth it  
But I know that nothing's perfect  
You said everything would be okay  
Then you took what we had and threw it away

Next time I won't let my hopes get high  
I'll just stay home all alone and get high

All alone on Christmas Eve  
Feels like every other week  
Smokin', no one goes to sleep  
All alone on Christmas Eve  
Thought you said that you'd be here  
Shit's the same as every year  
Promises you never keep  
All alone on Christmas Eve  
Christmas Eve
