

Bout Time

lil aaron

Yeaah
Yeah yeah
Uh

I'm shining on my own
This money, got it on my own

Got a couple hundred thousand in a hair tie
Homie I just had to get my bread right
Locked up in the studio like every night
They say that boy poppin' and it's 'bout time

Oh, it's 'bout time
Oh
Oh, it's 'bout time
Oh

Roll up with the swishers got the dirty weed
All these pretty bitches wanna flirt with me
Heard I got the singles, heard I'm blowin' 'em
Heard I'm tossing singles when I'm showin up
All these labels call me and they wanna sign me
All these co-signs they wanna get behind me
Bitch I'm lookin' bummy when I'm walkin' through
If you ain't talking bands don't wanna talk to you

I'm shining on my own
This money, got it on my own

Got a couple hundred thousand in a hair tie
Homie I just had to get my bread right
Locked up in the studio like every night
They say that boy poppin' and it's 'bout time

Oh, it's 'bout time
Oh
Oh, it's 'bout time
Oh

Oh
It's 'bout time it's 'bout time that I blow up
