

I told JUDGE play the beat and I'll fuck it up
Yeah, yeah, yeah
Yeah, yeah, yeah

I remember I was down, now I'm up
So much money, they prolly gave me too much
Drinkin' straight out the bottle, don't need a cup
I told JUDGE, "Play the beat and I'll fuck it up"
Swear to God I do whatever I want
Eatin' good pussy in Malibu for lunch
In the studio like 30 days a month
I told JUDGE, "Play the beat and I'll fuck it up"

I told my accountant take the day off
We be ballin' every day like it's the playoffs
Someone told me I fell off, well, they was way off
Bag get bigger every day, I feel like Madoff
I ain't got no options, just treat the world like my office
I got your girl in my cockpit, whip 'round the world like a rocket
Got 50 bands in my pocket, was on the Xans, now I'm off 'em
I understand why they talkin' cause I'm the man, yeah, I'm poppin'
Yeah

I remember I was down, now I'm up
So much money, they prolly gave me too much
Drinkin' straight out the bottle, don't need a cup
I told JUDGE, "Play the beat and I'll fuck it up"
Swear to God I do whatever I want
Eatin' good pussy in Malibu for lunch
In the studio like 30 days a month
I told JUDGE, "Play the beat and I'll fuck it up"

Fuck it up, fuck it up
Fuck it up, fuck it up
Fuck it up, fuck it up
Fuck it up, fuck it up
Fuck it up, up, up
Fuck it up, up, up
Fuck it up, up, up, up, up, up
I told JUDGE, "Play the beat and I'll fuck it up"
Fuck it up, fuck it up
Fuck it up, fuck it up
Fuck it up, fuck it up
Fuck it up, fuck it up

I remember I was down, now I'm up
So much money, they prolly gave me too much
Drinkin' straight out the bottle, don't need a cup
