

# Girls On The Internet

**lil aaron**

Honestly  
These girls are barely human  
Fake smiles, fake lips  
Facetune it  
And honestly  
I don't think I can do this  
Wish that I could mute it  
I need to stop fucking with girls on the internet

Instagram, she just hit 50k  
That's almost half of what I made today  
She gotta brand deal, she acting brand new  
Riding round town in her step dad's Range

I'll never understand what they do for the likes  
Guess its my fault that it's just my type  
It's been the same shit all my life  
I let her come through, she gon' ruin my night

Honestly  
These girls are barely human  
Fake smiles, fake lips  
Facetune it  
And honestly  
I don't think I can do this  
Wish that I could mute it  
I need to stop fucking with girls on the internet  
I need to stop fucking with girls on the internet  
I need to stop fucking with girls on the internet

Twitter page, she got a 100K  
I just paid that on my layaway  
She got a trust fund but trusts no one  
Dying inside, livin' in LA

I'll never understand what they do for the likes  
Guess it's my fault that it's just my type  
It's been the same shit all my life  
I let her come through, she gon' ruin my night
