

## Hot Topic

**lil aaron**

I'm a hot topic, yeah (I'm a hot topic, yeah)  
Watch out cause I just might take your bitch to Hot Topic, yeah  
(Hot Topic, yeah)  
Money started coming I ain't got no plan on stoppin', nah, (stoppin', nah)  
Yeah, I'm hot, yeah, I'm hot  
I'm a hot topic, yeah (I'm a hot topic, yeah)  
I'm a hot topic, yeah (I'm a hot topic, yeah)

I just want this top, no twenty one pilots  
My bitch sad and boujee, look like something from The Islands  
Get it then I spend it, I ain't worried 'bout retirement  
Ain't nothing but money, bitches, weed in my environment  
Talk, let 'em talk  
I just lay low, do my walk, do my walk  
I be steady stacking guap to the top  
Yeah, I'm hot, yeah, I'm hot, yeah, I'm hot

I'm a hot topic, yeah (I'm a hot topic, yeah)  
Watch out cause I just might take your bitch to Hot Topic, yeah  
(Hot Topic, yeah)  
Money started coming I ain't got no plan on stoppin', nah, (stoppin', nah)  
Yeah, I'm hot, yeah, I'm hot  
I'm a hot topic, yeah (I'm a hot topic, yeah)  
I'm a hot topic, yeah (I'm a hot topic, yeah)
