

I wanna get high, I wanna do drugs  
I don't fuck with xanax but I wanna get fucked up  
I wanna smoke weed, I wanna get drunk  
I don't care what people say, I wanna get fucked up  
Yeah, I wanna get fucked up  
Wanna get fucked up, wanna get fucked up  
Yeah, I wanna get fucked up  
Wanna get fucked up, wanna get fucked up  
I don't care what people say, I wanna get fucked up  
Yeah, I wanna get fucked up

I wanna get money  
Stack it up like a dummy  
Five star meal up in my tummy  
Yeah, still lookin' hella bummy  
I think your girlfriend want me  
But if she ain't a ten  
She ain't gettin' nothing from me  
Yeah, I know I'm ugly but I'm still gettin' money

I wanna get high, I wanna do drugs  
I don't fuck with xanax but I wanna get fucked up  
I wanna smoke weed, I wanna get drunk  
I don't care what people say, I wanna get fucked up  
Yeah, I wanna get fucked up  
Wanna get fucked up, wanna get fucked up  
Yeah, I wanna get fucked up  
Wanna get fucked up, wanna get fucked up  
I don't care what people say, I wanna get fucked up  
Yeah, I wanna get fucked up
