

# Lit

**lil aaron**

Yeah, I'm lit, yeah, I'm lit  
Off the shits with' your bitch  
Yeah, I'm lit, yeah, I'm lit  
Used to be broke but now, I'm rich  
I ain't really tryna start a fuckin' problem  
Homie, you and I ain't got nothin' in common  
Yeah, I'm lit, yeah, I'm lit, yeah, I'm lit

Hit the mall, hit the store  
Bought it all, I need more  
I'ma ball 'cause I'm bored  
Bitches call, I ignore  
I guess I'm just way too busy getting bread  
Money and the fame must be getting to my head  
I ain't numbing pain but lil shawty give me head  
I'll be on this slip boy shit until I'm dead

Yeah, I'm lit, yeah, I'm lit  
Off the shits with' your bitch  
Yeah, I'm lit, yeah, I'm lit  
Used to be broke but now, I'm rich  
I ain't really tryna start a fuckin' problem  
Homie, you and I ain't got nothin' in common  
Yeah, I'm lit, yeah, I'm lit, yeah, I'm lit
