All the game and the hustle I did it for me  
Sleepin in the cut, keepin the burner on tuck  
I did it for me, all the money and cars  
All the drugs and the brauds  
Das on for me, I did it for me  
Das on for me, I did it for me  
Das on for me, I did it for me

I did it for me, all the pain and the struggle  
All the game and the hustle I did it for me  
Sleepin in the cut, keepin the burner on tuck  
I did it for me, all the money and cars  
All the drugs and the brauds  
Das on for me, I did it for me  
Das on for me, I did it for me  
Das on for me, I did it for me
