

Old bitch broke my heart but now I'm better off
I got hella models in my bed now
Feel like tony hawk cause I'm neversoft
Feel like tony hawk cause I'm neversoft
I ain't never been one for the pillow talk
These days I don't even fuck I just get hella top
Feel like tony hawk cause I'm neversoft
Feel like tony hawk cause I'm neversoft

She flew across the country just to see me
I got bitches sucking dick for a CD
Shawty from the islands just like wee wee
Told me that she saw me on the TV
I'm gone fuck her in my etnies
Hit it once and bet shawty don't forget me [?]
Knock that pussy out like [?]
Got her drippin like we whippin on the jet ski

Old bitch broke my heart but now I'm better off
I got hella models in my bed now
Feel like tony hawk cause I'm neversoft
Feel like tony hawk cause I'm neversoft
I ain't never been one for the pillow talk
These days I don't even fuck I just get hella top
Feel like tony hawk cause I'm neversoft
Feel like tony hawk cause I'm neversoft
