

I told JUDGE play the beat and I fuck it up

I feel sorry for all my haters
I've been stackin' too much paper to even see 'em reply
Lord, I'm sorry for all my sins
But I'll prolly do them again, that's the kind of person I am, yeah
When I walk into their office and hear how much they're tryna offer
They can't look me in the eye
Lord, I'm sorry for all my sins
But I'll prolly do them again, that's the kind of person I am, yeah

I ain't a bad guy, I'm just havin' a bad night
But this ain't a bad year, this a grabbin'-a-bag year
This a go-hit-the-mall year, this a blowin'-it-all year
This a go-hit-the-club year, this a go-make-it-back year
I put chains on my whole crew neck
Just so everybody know that my whole crew next
And they know to hit me whenever and I'll do whatever they need
FaceTime, no text, FaceTime, no text

I feel sorry for all my haters
I've been stackin' too much paper to even see 'em reply
Lord, I'm sorry for all my sins
But I'll prolly do them again, that's the kind of person I am, yeah
When I walk into their office and hear how much they're tryna offer
They can't look me in the eye
Lord, I'm sorry for all my sins
But I'll prolly do them again, that's the kind of person I am, yeah

Big bank, I've been spendin', spendin', spendin'
Overseas, Autobahn auf weihdershen
If I want it, I get it, get it, get it, get it
And I want it, I send a text, my mans get it
Yeah, I don't wanna sleep like it's hari kari, yeah
Ever since I got this ice, I just want the money, yeah
On my bitch and she ride it like it's hari kari
I don't eat 'less there's ice on my kalimari

I feel sorry for all my haters
I've been stackin' too much paper to even see 'em reply
Lord, I'm sorry for all my sins
But I'll prolly do them again, that's the kind of person I am, yeah
When I walk into their office and hear how much they're tryna offer
They can't look me in the eye
Lord, I'm sorry for all my sins
But I'll prolly do them again, that's the kind of person I am, yeah
