

SleepFlex

lil aaron

I told JUDGE play the beat and I fuck it up
Sleep flex
Sleep flex
That's a sleep flex
Sleep flex
Sleep, sleep, sleep flex
Sleep, sleep, sleep flex
Sleep, sleep, that's a sleep flex

I can do this in my sleep, that's a sleep flex
Bitch I do that every week, that's a weak flex
I do better under pressure like a heat press
I told Nick to run it up, need three checks
I can do this in my sleep, that's a sleep flex
Bitch I do that every week, that's a weak flex
Bitch bad, no gag reflex
Man I love it when they talk shit, free press

Yeah, let's give them something to talk about
Cause I got bitches at the crib they be walking 'round
Naked, I know you hate it
Give me a problem or a bottle, Imma face it
I make what you make a year in 30 minutes
Bitch I'm only getting started, I ain't finished
But it's getting to the point where my pen game should be worth a hundred k cents

I can do this in my sleep, that's a sleep flex
Bitch I do that every week, that's a weak flex
I do better under pressure like a heat press
I told Nick to run it up, need three checks
I can do this in my sleep, that's a sleep flex
Bitch I do that every week, that's a weak flex
Bitch bad, no gag reflex
Man I love it when they talk shit, free press

Diss track, I ain't heard that
I see you talking on the bird app
Twenty thou cash in a burlap sack
That's a weak flex, I could curl that
Same shit just a different day
Who that thick bitch, that Jenny Craig
Drive safe, that thing is a hundred K
That top got chop like Bobby Flay
I can not chill like I used to
I need tinted windows on the [?]
20/20 vision in the future
50/50 split, they tryna use ya
Look I'm not the one to small talk
Innocent, they all are

White girls standing in the line for the tour bus
Like I got the motherfucking Starbucks in it

I can do this in my sleep, that's a sleep flex
Bitch I do that every week, that's a weak flex
I do better under pressure like a heat press

I told Nick to run it up, need three checks
I can do this in my sleep, that's a sleep flex
Bitch I do that every week, that's a weak flex
Bitch bad, no gag reflex
Man I love it when they talk shit, free press
I can do this in my sleep, that's a sleep flex
Bitch I do that every week, that's a weak flex
I do better under pressure like a heat press
I told Nick to run it up, need three checks
I can do this in my sleep, that's a sleep flex
Bitch I do that every week, that's a weak flex
Bitch bad, no gag reflex
Man I love it when they talk shit, free press

Sleep flex
Man I love it when they, man I love it when they
Sleep flex
Man I love it when they talk shit free press
Sleep flex
Man I love it when they, love it love it when they
Sleep flex
Man I love it when they talk shit free press
