

Sometimes

lil aaron

Sometimes I feel like shit
Sometimes I feel like I'm the man
And I can't get over it
Like nobody fuckin' understand
Sometimes I'm on top of the world
Then something comes and brings me right back down
Sometimes I feel like shit
Sometimes I feel like I'm the man

I wish that I could say I'm doin' better
I mean sometimes things are good but sometimes it could be better
I been gettin' sick and tired of sleepin' until whenever
And no I'm not alright just feelin' under the weather

Gettin' drunk just to feel numb
Gettin' high just feel alright
Pop a pill, what's the big fucking deal?
'Cause tonight I'm just tryna get by, yeah

Sometimes I feel like shit
Sometimes I feel like I'm the man
And I can't get over it
Like nobody fuckin' understand
Sometimes I'm on top of the world
Then something comes and brings me right back down
Sometimes I feel like shit
Sometimes I feel like I'm the man

Shit, I mean what can I say
I got a crib with the crew and I'm still gettin' paid
Eatin' real, real good, I got food on my plate
And ain't nobody on the planet that could take that away

Gettin' drunk just to feel numb
Gettin' high just feel alright
Pop a pill, what's the big fucking deal?
'Cause tonight I'm just tryna get by, yeah

Sometimes I feel like shit
Sometimes I feel like I'm the man
And I can't get over it
Like nobody fuckin' understand
Sometimes I'm on top of the world
Then something comes and brings me right back down
Sometimes I feel like shit
Sometimes I feel like I'm the man
