

## Top 8

**lil aaron**

I'm just tryna get up in your top 8  
Come through on that late night, give me top, aye  
I can take you anywhere you want, babe  
I'm just tryna get up in your top 8  
I'm just tryna get up in your top 8  
I'm just tryna get up in your top 8  
Come through on that late night, give me top, aye  
I'm just tryna get up in your top 8

Where you at, girl?  
I'm just tryna holla  
We can stay up real late  
Ain't worried 'bout tomorrow  
Hop inside my whip, yeah  
I own this, this ain't borrowed  
Anywhere we go  
Best believe they all 'gon follow  
They tell me like I ain't already know  
Keep on dancing, baby, go put on a show  
I got money that I'm right about to blow  
Cause I've been dreaming 'bout you takin' off your clothes, yea  
h
