

Warped Tour

lil aaron

Yeah, I got bands like I'm Warped Tour
I got everything I worked for
Stopped doing xans just to work more
Now I got bands like I'm Warped Tour
I got bands like I'm Warped Tour
I got bands like I'm Warped Tour
I got bands like I'm Warped Tour
I got bands like I'm Warped Tour

Yeah, I got bands, fucked up Vans
Brand new shirt, couple hundred on my pants
Yeah, bitch, I'm a scene kid
Might go fuck a scene girl
Why you actin' mean, kid?
Don't make me pull a Mean Girls, nah
I swear I feel like a millionaire
My new bitch look like The Millionaires
I'm Ernie Ballin' all summer
Iced out all green Hummer

I got bands like I'm Warped Tour
I got everything I worked for
Stopped doing xans just to work more
Now I got bands like I'm Warped Tour
I got bands like I'm Warped Tour
I got bands like I'm Warped Tour
I got bands like I'm Warped Tour
I got bands like I'm Warped Tour
