

WHY DOES ANYONE CARE

lil aaron

Why does anyone care
About anything
Why does anyone care
It's embarrassing
Stressin' over nothing
Lately I've been wonderin'
Why does anyone care
About anything

I don't really give a shit
Might as well tattoo my dick
Maybe I'm an idiot
Post my address on the internet

Strung out and apathetic
Why waste my time

Why does anyone care
About anything
Why does anyone care
It's embarrassing
Stressin' over nothing
Lately I've been wonderin'
Why does anyone care
About anything

Ooh ooh ooh
(Why does anyone care)
Ooh ooh ooh

Everything's falling apart
So I'll just stay here in the dark
Cause it's all out of my control
But nothin' ever really matters though

Strung out and apathetic
Why waste my time

Why does anyone care
About anything
Why does anyone care
It's embarrassing
Stressin' over nothing
Lately I've been wonderin'
Why does anyone care
About anything

Ooh ooh ooh
(Why does anyone care)
Ooh ooh ooh
