Yeah, yeah
I wanna give it, give it to you
Yeah, yeah
I really, really wanna do it
Yeah, yeah
I wanna get to the action
Baby let's make it happen
This could be everlasting

Like yeah, yeah

Baby let's make it happen
This could be everlasting

Girl you got that good good, I'ma need that
Running through my mind, throwing me off track
Let's face, the fact, I'm neck deep
No coming back, you wrecked me

Need your silhouette in my picture frame
I'ma break a sweat tryna get your name
Your hands, all on, my body
I love, the way, you rock me

Like yeah, yeah
I wanna give it, give it to you
Yeah, yeah
I really, really wanna do it
Yeah, yeah
I wanna get to the action
Baby let's make it happen
This could be everlasting

Like yeah, yeah
I wanna give it, give it to you
Yeah, yeah
I really, really wanna do it
Yeah, yeah
I wanna get to the action
Baby let's make it happen
This could be everlasting
Like yeah, yeah

Baby it's a win win when I see you
Feelings that I get do you feel them too
It's you, and me, together
Nobody does it better

I'ma burn a hole in my jet black jeans
Whatever you want, baby, it's on me
I crave the way you touch me
Tonight let's both get lucky

Like yeah, yeah
I wanna give it, give it to you
Yeah, yeah
I really, really wanna do it
Yeah, yeah
I wanna get to the action
Baby let's make it happen
This could be everlasting

Like yeah, yeah
I wanna give it, give it to you
Yeah, yeah
I really, really wanna do it
Yeah, yeah
I wanna get to the action
Baby let's make it happen
This could be everlasting
Like yeah, yeah
