I'm looking like a pitcher forealuh  
Baseball holding bitches like I'm the dope dealer  
Nigga was holding mistakes in the past life  
That's why I slang dope records and get my cash right  
Call me daddy, shopping with the green card  
I'm in the Phantom, I can't see who the fuck you are  
I'm still going dumb in that Bentley coupe  
I drop cash, that's just what the bitches do  
Btichmob swag swag  
I'm in that brown thing, in that paddy wagon  
I got arrested for some bullshit  
Take the middle finger and put it in yo' ass bitch  
I'm still counting money from '06  
Nigga at school, I had bitches on my dick  
They call me Lil B for Lil fucking Boss  
Every time that girl around, she try to give me boss
